Hi Peter,

Sorry the intent wasn't clear. Please draft it to make the policy for those Tech Colleges without 2 year UW colleges within their districts the same as Madison, Milwaukee, and Nicolet. The program is called the Liberal Arts Transfer. The bill should affect three Tech Colleges (Western WI, Chip Valley, and Gateway).

Please let me know if you need any additional clarification or if there are any problems.

Thanks!

Tony, I have your request for a bill that would authorize any technical college district that does not have a 2-year UW College located in the district to offer 4-year degree programs. I'm not sure that I understand your intent. No technical college currently offers a 4-year program. Three colleges (Madison, Milwaukee, and Nicolet) offer collegiate transfer programs, which are full-time programs in which the credits earned may be transferable to a 4-year institution. Section 38.01 (3), stats., requires that a collegiate transfer program be designated and approved by the WTCS board. Do you want to require that the board approve any collegiate transfer program initiated by a district board that does not have a 2-year UW College located within the district?

Hi Peter,

We are looking to introduce LRB 1596/2 (draft is attached), but there is also a 1596/3, so if we could get 1596/2 redrafted as 1596/4 that would be greatly appreciated.

Let me know if you have any questions. Thanks!
